**The quote provided above will be subject to the following terms and conditions:**

1. The cost quoted in Col. 5 above, will be for a video of one minute duration only. The total cost per video will be arrived at based on the final length of the video accepted by the Authority. For videos that are in fractions of a minute, the cost will be pro-rated.
2. For evaluation of Financial Bid, the total cost, i.e. the sum of 1, 2, 3, 4 and 5 will be considered.
3. The payment to a bidder will be based on the number of videos of each kind finally submitted after approval by the Authority.
4. The number of videos is shown as '1' in Column 4 above. This is to obtain the per-unit cost of the videos that the bidders will be developing. The actual number of videos that will be developed will be arrived at through discussion and as per the final requirements of the Authority. There will be no upper cap on the number of videos that the Authority may require.
5. In case one final video has multiple types of animations/ video sub-types that need to be used, the total payment for the video will be based on the pro-rated costs of the duration of each of the sub-types, as per the rates quoted above. For this, the bidder will adhere to a template prescribed by the Authority (to be shared with the bidder to whom the project is awarded).
6. To make like comparisons across bidders, the following process will be adopted while evaluating the Financial Bids:
  - a. Evaluation will be done separately for each component.
  - b. To arrive at the total cost for each component, the cost of the Project Manager shall be added to the other costs quoted for the given component.
  - c. All bids received against each component will be evaluated in the same way.
7. However, the Total Amount quoted by the bidder (Across all components bid for; and the cost of Project manager combined) should equal the total fee quoted under Form Fin-1.
8. In case additional work is to be given to the bidders, the same can be done on a "per Script + One minute of video" basis. The cost of the Project Manager will be pro-rated to the period of extra work as decided by the Authority.
9. While the firm is free to quote the average price rate for different categories, the Authority reserves the right to seek clarifications in case variations in the above rate, over the various categories, are beyond explicable limits or are not seen to be in line with market rates.
10. The Authority may, at its discretion permit an escalation in the per unit cost annually, at not more than 10% of the costs quoted in the table (Col. 6) above. This escalation shall be permitted only in case of additional work allocated in subsequent years. This escalation will not be permitted for spill over delays in video creation attributable to the bidder.

**Non-Evaluated Parameter:**

**Storage Cost of Hard Drives**

Sl.	Capacity (GB)	Brand/ Make	Rate (Incl. of GST)	Total Amount (Rs.)
