Order:

After the introduction of 10 years schooling in Kerala from 1964, the SSLC of that State was considered not equivalent to the SSLC of Tamilnadu which was obtained after 11 years schooling. The question of recognizing the SSLC of Kerala was kept pending, awaiting a decision of the Government on the question of change in the pattern of education in this State to 10+2+3 years pattern which is in vogue in Kerala, Karnataka, and Andhra Pradesh States.

2. The 10+2+3 pattern of education has been introduced in the Govt. order first read above. The first batch of students under 10 year schooling took their public examination in March 1978. The Tamilnadu Public Service Commission which was consulted on the question of recognizing the SSLC of Kerala has advised that the SSLC of the three Southern States of Kerala, Karnataka and Andhra Pradesh issued after 10 years school course in their respective States from 1978 may be accepted on par with the 10 years SSLC of the Tamilnadu for purpose of minimum general educational qualification for employment under this Government.

3. The Government, after careful consideration direct that the SSLC of Kerala, Karnataka and Andhra Pradesh issued after 10 years school course with eligibility for admission to the College course in their respective States with not less than 35% of marks in each of the five subjects either in one or more sittings from 1978 be recognised as equivalent to the 10 years SSLC of Tamilnadu for purpose of minimum general

educational qualification for employment under this Government.

Personnel and Administrative Reforms (Per. K) Department

G.O. Ms. No. 534

Dt. 13-10-1988

Read:

1. G.O. Ms. No. 38, P&AR (Per. R) Dept., dt. 19-1-87
2. From the Tamilnadu Public Service Commission, Madras
Lr. No. 7490/E4/87, dt. 30-6-88

Order:

In the Govt. order read above, the Government ordered that the Secondary School Leaving Certificate of Kerala, Karnataka and Andhra Pradesh issued after 10 years school course with eligibility for admission to the college course in their respective States with not less than 35% of marks in each of the five subjects either in one or more sittings from 1978 be recognised as equivalent to the 10 years Secondary School Leaving Certificate of Tamilnadu for purpose of minimum general educational qualification for employment under this Government.

2. It has been represented that a number of persons who passed the Secondary School Leaving Certificate (10 years) of Kerala and Karnataka prior to 1978 were recruited to Government service and the services of these persons were regularised by relaxing the relevant service rules with effect from the date of relaxation which results in a great loss to them. It has further been stated that there were more than five subjects in the SSLC of Karnataka prior to 1970. Hence with a view to afford benefits to persons who passed the SSLC (10 years) Kerala, Karnataka and Andhra Pradesh prior to 1978 and to persons who passed the SSLC of Karnataka State prior to 1970, who studied more than 5 subjects in SSLC it has been requested to issue necessary amendment to the effect that the orders issued in the G.O. read above shall be made applicable to persons who passed 10 years SSLC of Kerala, Karnataka and Andhra Pradesh either in one or more sitting prior to 1978 and that the five subjects referred to in the Govt. Order may be construed as any five of the subjects with not less that 35% of marks in respect of persons who passed the 10 years SSLC of Karnataka State prior to 1970 with more than 5 subjects in Secondary School Leaving Certificate.

3. The Government have examined this request in detail

in consultation with Tamilnadu Public Service Commission. The Government accordingly issue the following orders in modification of the orders issued in para - 3 of the Govt. Order read above:-

“Persons who have passed the 10 years SSLC of Kerala, Karnataka and Andhra Pradesh States even prior to 1978 and obtained not less than 35% of marks either in one or more sittings in each of the five subjects, viz., Language, English, Mathematics, Science, History and Geography (Social Studies) shall be deemed to possess the Minimum General Educational Qualification for employment under this Government.”
